**FIELDHOUSE EXPANSION
COMPLETED SUMMER 2021**

Sponsorship & Donation Opportunities

www.lacombeathleticpark.ca

OUR STORY: Lacombe Athletic Park Association is a not for profit organization responsible for the operation and maintenance of MEGlobal Athletic Park. The City and County of Lacombe have a rich history of supporting amateur sports and culture. Through fundraising efforts L.A.P.A. has built a state of the art facility that includes a field house complete with change rooms and showers, a concession, public washrooms, and a spotting and media tower. The facility offers two grand stands that seat 1500 spectators, a new score clock, and a field and track lighting system. The field has an artificial turf surface with lines marked for Football, two mini Soccer pitches, one regulatory Soccer pitch and a regulation Lacrosse field. Through further fundraising efforts a financial prudent budget and long term outlook, the L.A.P.A. is able to provide subsidized rates and access to local minor sports and community groups while continuing our work on adding features and amenities based on the want and need from the community and our stakeholders.

SPONSORSHIP OPPORTUNITIES: Supporters at every level will be recognized on social media, our website, and in print. Plus the ongoing recognition at MEGlobal Athletic Park – 55,000++ visitors per year!
